Get Started With Moneypex Now!

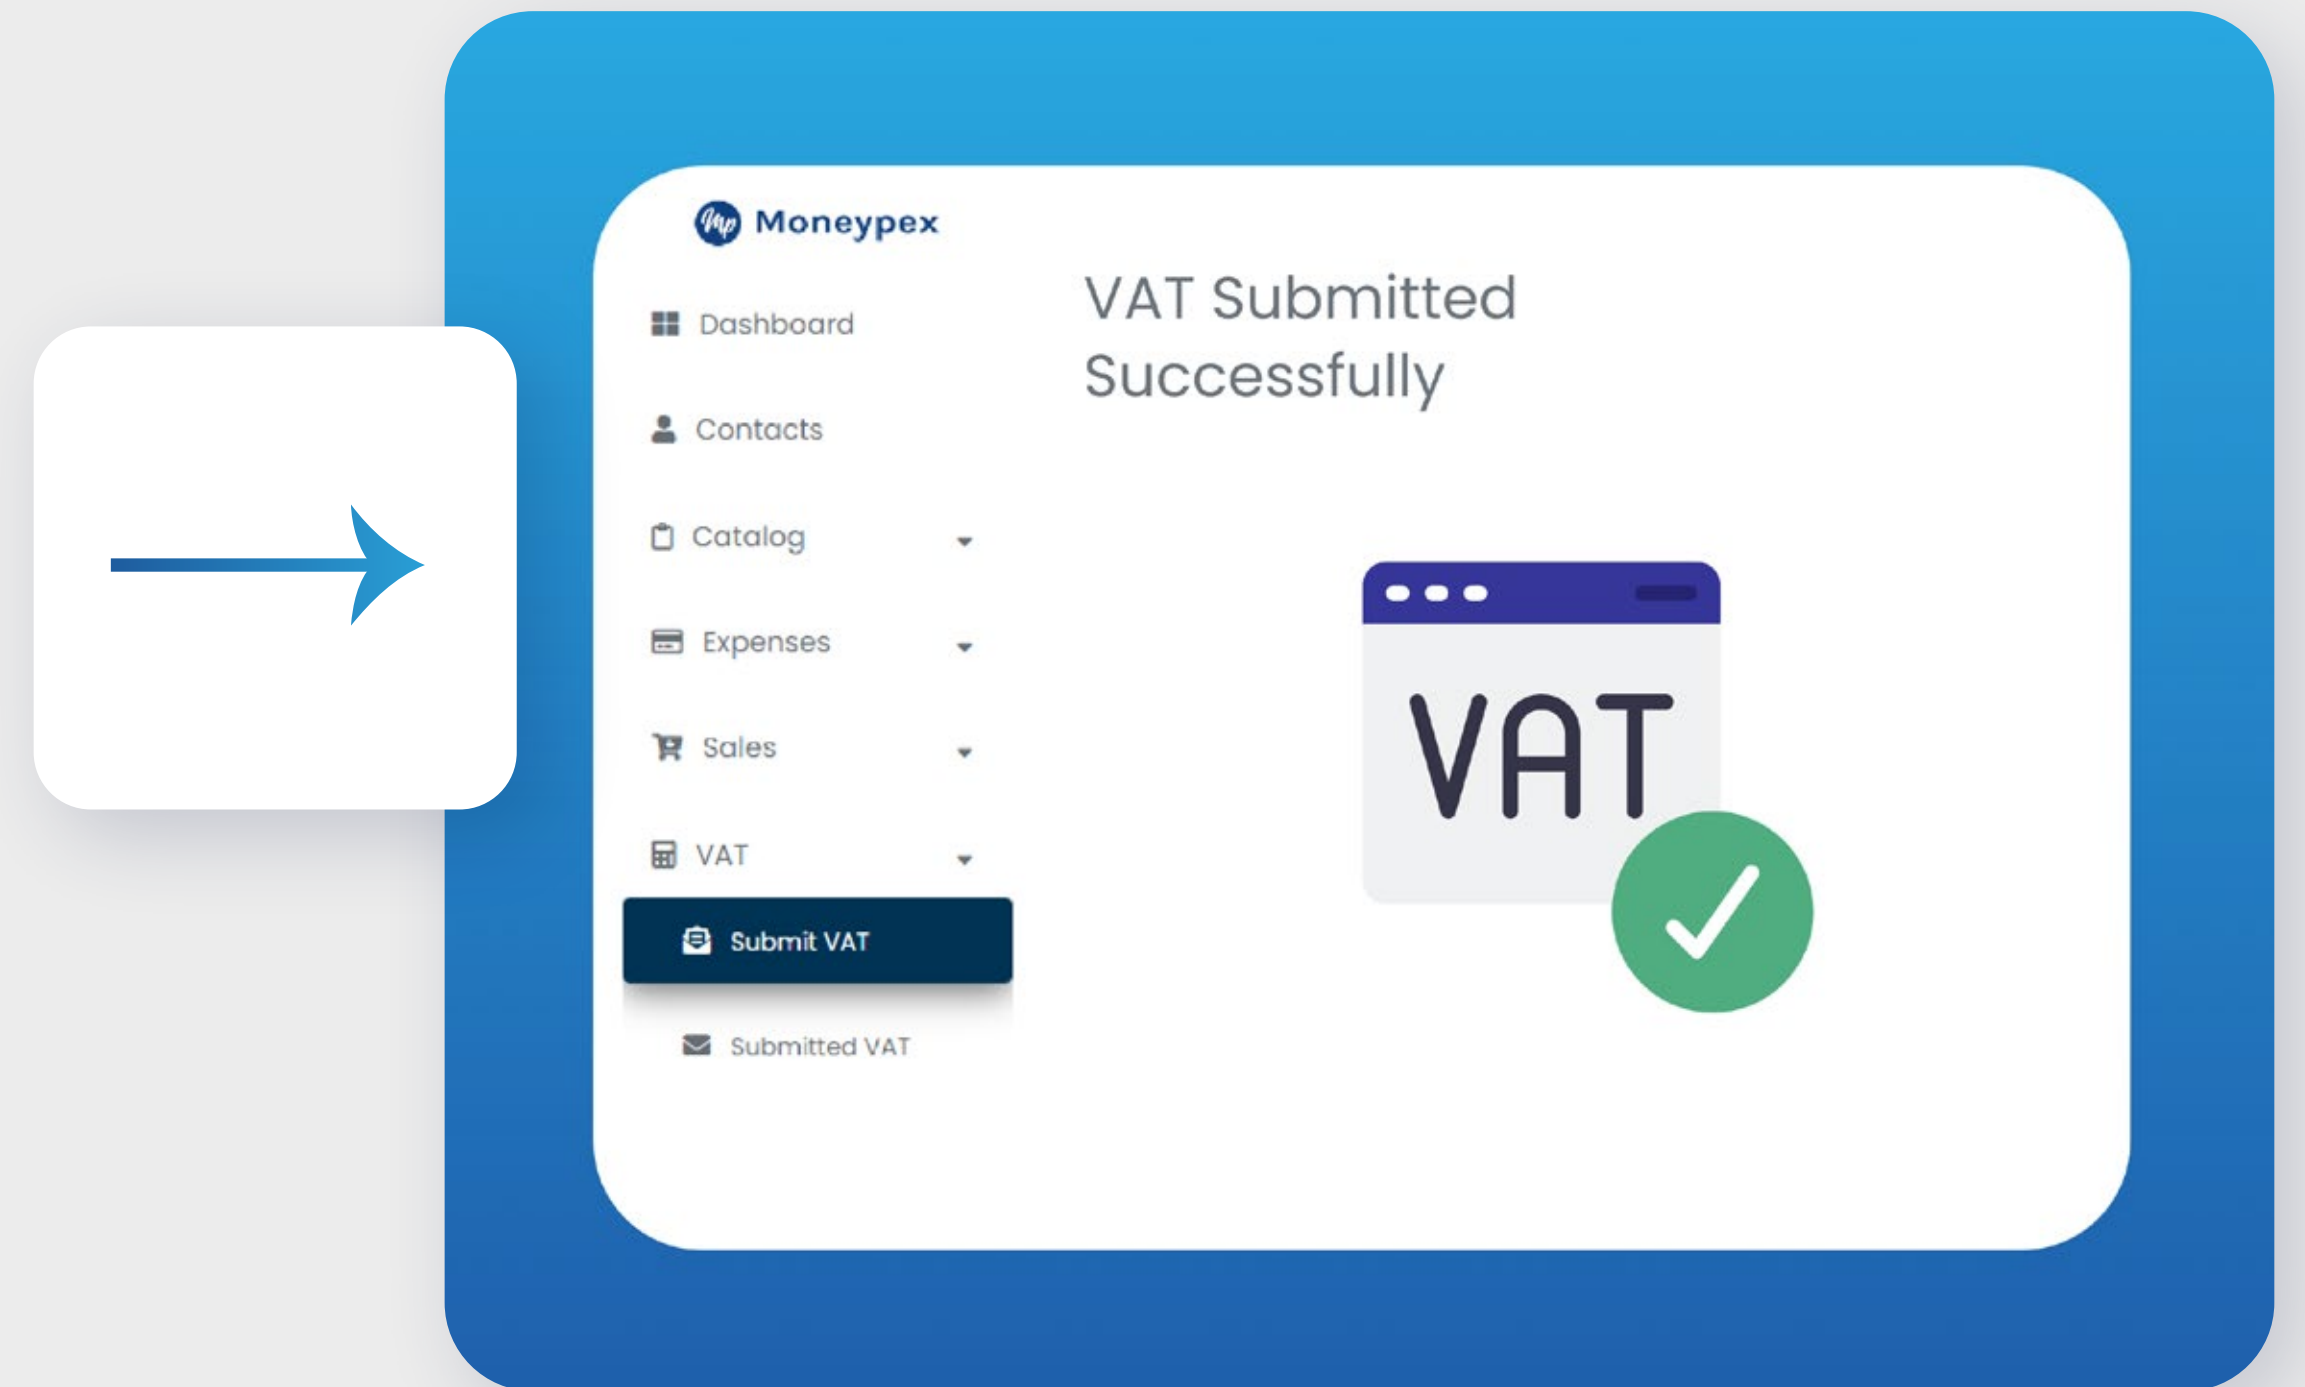

# Smart Scanning

# Smart scanning helps you speed up your invoicing process and get rid of manual work, saving time at the same time.

- Simply snap your receipts from your mobile phone or web cam.
- Moneypex accounting software will auto extract data from your receipts.
- Your invoices are ready for use. Annotate and send to suppliers.
- You can even personalize them by adding your business logo to invoices.

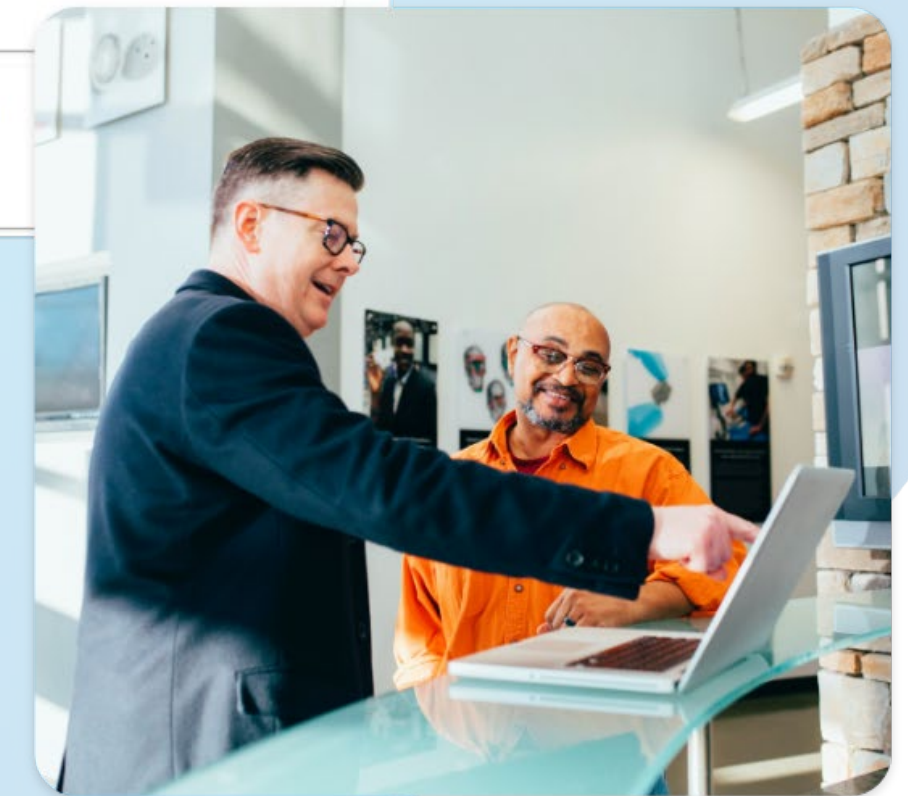

# Making Tax Digital

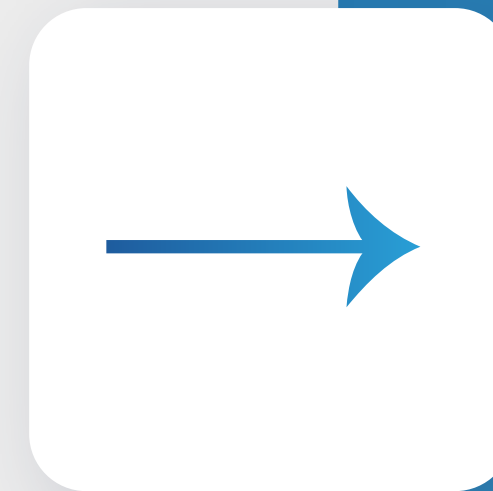

# Moneypex is MTD-compatible accounting software to file your VAT returns to HMRC easily.

- Moneypex auto calculate taxes on your expenses and sales.
- Make detail reports on due and paid taxes, for ease in tax-season.
- It even let you connect, register and submit MTD VAT returns to HMRC directly from software.

TAX Information	
 TAX On Expenses	14.55
 TAX On Sales	20.00
 Total TAX to Pay/Reclaim	34.55

# Bank Reconciliation

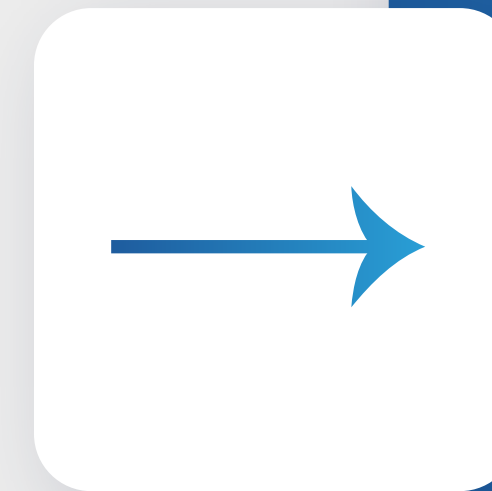

# Cross check your bank transaction in a matter of minutes to spot any inaccuracy on time.
